\$0.00 / Ea.  
Free Shipping

ELCASJ1502

**NEW! WH 50th Anniversary Packet: POSTER**

\$0.00 / Ea.  
Free Shipping

Check out the tabs for what is new from ELCA World Hunger as well as what resources are seasonal.

Under the “Seasonal” tab, there are resources for Advent and Lent, two seasons that many congregations use to focus on hunger related ministries.

Both the “Hunger Ed” and “VBS” tabs have great resources for expanding your congregation’s learning. VBS materials do not have to be limited to a one-week, mid-summer program. You can use VBS material in your Lent MidWeek gatherings, or use through a series of 5-weeks of Sunday school as a theme tied to other fundraising you have going on.

The “Stories and Videos” tab gives worship leaders resources to utilize in worship, such as videos from people whose lives have been changed by ELCA World Hunger ministries. Consider showing a video during a noisy offering or after a worship drama on world hunger. Consider using these stories in sermons or temple talks when addressing World Hunger or promoting Christmas in July.

The “Toolkit” tab has resources that can be used in adult or multi-generational learning events. You can pick one resource to lead an entire several-week study on World Hunger, or pick a lesson from each of the resources to cover in an entire several-week study on World Hunger. These Toolkits also offer resources that can be helpful when preparing sermons or temple talks.

The “General” tab has many additional resources that can be helpful, from coloring books to brochures and posters, all which can be used to raise awareness and keep ELCA World Hunger on the forefront of the congregation’s ministry awareness.
